OUTPUT:

The screenshot shows a web browser window with the address bar displaying the file path: file:///C:/Users/ELCOT/Desktop/register.html. The browser's left sidebar contains various social media and utility icons. The main content area displays a registration form with the following fields and controls:

- Name :** A text input field.
- Qualification :** A dropdown menu with "BE" selected.
- Age :** A text input field.
- Email:** A text input field.
- Submit**: A button located below the email field.

The Windows taskbar at the bottom shows the search bar with the text "Type here to search", several application icons, and system status information including "23°C Cloudy", the time "19:33", and the date "05-11-2022".
